

YGYS GUIDE TO FUNDRAISING

To help you make the most of your fundraising efforts, we've put together a handy guide that covers what you need to know about raising funds for YGYS and our cause. Your support will make a real difference in the lives of young people in our community.

WHAT IS FUNDRAISING?

Fundraising means raising money for charity. It involves completing an activity or service in exchange for donations. At YGYS, our volunteers support us to fundraise for BC Children's Hospital.

SUPPORTING OUR GALA

Our volunteers help us to organize and host our Annual Gala. We encourage you to ask questions, learn about YGYS and find out how your fundraising efforts will make a difference. We'll be there to offer support and guidance.

MAKE A PLAN

One of your first tasks will be to make a plan to sell Gala tickets. We'll let you know how many you need to sell. You should think about who you can ask to buy tickets and make a list of their names, for example, your family and people they know.

KEEP TRACK

Keep track of ticket sales and follow up with potential attendees to make sure they receive information about the Gala. This helps us to keep a record of who's attending the Gala and makes it a positive experience for everyone.

THANK YOUR SUPPORTERS

Remember to show your appreciation to everyone who supports your fundraising efforts. A simple thank-you message can go a long way in building lasting relationships with your donors.

OUR ANNUAL GALA

Our Annual Fundraising Gala is a moment of recognition and celebration for everyone involved in our fundraising efforts. It's when our volunteers share the total amount raised for BC Children's Hospital.

THE POWER OF MAKING A DIFFERENCE, TOGETHER

Since 2011, with the support of our volunteers and community, YGYS has raised nearly \$275,000 for BC Children's Hospital. As YGYS volunteers, you're part of that story. Thank you for making a difference.
